

## Curriculum

Is your whole school or subject curriculum fit for purpose? Adopt a pragmatic and systematic approach to curriculum review and development that begins with the 'why?' before moving on to the 'what?' and the 'how?'.

Plan for a curriculum that has a revitalised purpose, clarity and focus based on fundamental principles, goals and values.

A whole day (or equivalent) bespoke training and development for secondary phase subject or faculty teams or primary phase subject co-ordinators and senior leaders.
